THE GRADUATE CAREER INFORMATION EVENING**

Venue: Analog Devices Building

Thursday, 25th October, 2018
7-8pm sharp

(Followed by refreshments)

The Faculty of Science & Engineering presents monthly Graduate Career Talks where former students from Bachelor of Science programmes give an overview of their time at UL and careers since graduating. The evening will include the following courses:

LM124 General Entry Mathematics (including)

BSc Economics & Maths Science

BSc Mathematical Science

BSc Mathematics & Physics

LM125 General Entry Physics (including)

BSc Applied Physics

BSc Mathematics & Physics

&

LM058 (Direct Entry) BSc Financial Mathematics

Each graduate will describe what is involved in studying and working in these environments and the exciting career opportunities that they have experienced to-date. They will give an overview of how the skills and knowledge gained in their degree programmes has benefited them in their careers.

There will be an opportunity at the end for people to speak on a one-to-one basis with graduates over refreshments.
