The Faculty of Science and Engineering hosts graduate career information evenings in which former University of Limerick students of BSc degrees will present an overview of their careers since graduating. Each graduate will describe what is involved in studying and working in their chosen environments and the exciting career opportunities they have experienced to-date. They will give an overview of how the skills and knowledge gained in their degree programmes has benefited them in their careers.

There will be an opportunity at the end for people to speak on a one-to-one basis with graduates over refreshments.

ADMISSION IS FREE
