SUMMARY OF RULES AND PROCEDURES:

- All students attending the Science & Engineering Summer Camp at the University of Limerick shall maintain acceptable standards of behaviour and shall act in a law-abiding, mature and honest fashion.
- Smoking, alcohol and other drugs are strictly forbidden.
- University Property must be respected and the directions of Programme Staff adhered to at all times.
- Safety procedures as laid down by University Staff (during Laboratory Sessions, for example), must be followed.
- Students are supervised between 9am - 5pm.
- The University will not be held liable for any property lost, damaged or stolen.
- All applications must include a passport size photograph for security purposes

Failure to comply with these rules, which exist to ensure an enjoyable and beneficial programme for all participants, will warrant immediate expulsion, in which case no reimbursement of fees will be made.

We have completed all sections of this application form and have carefully read and agree to observe, the Rules and Procedures of the Faculty of Science & Engineering Summer Camp.
